Dedication

We, the Senior Class of 1966, would like to dedicate this Rostravette to our wonderful class sponsors, Mrs. Stump and Mr. Naylor. This gesture is but a small way of showing our gratitude for their guidance. No better friends could be found. They always extended a helping hand, no matter how large or small the problem.

We, the Senior Class, thank you Mrs. Stump and Mr. Naylor for everything you have done for us.

Class History

In late August, 1963, we entered Rostraver High School, ready to undertake the challenge of the next three years. Although slightly apprehensive, we assumed our role as sophomores with confidence and optimism. To assist us in becoming more readily acclimated with high school life and also to serve as our guides through the following three years, Mrs. Stump and Mr. Naylor became our sponsors. We elected our class officers: Jim McCauley, President; Sam Zabawsky, Vice President; Ken Codeluppi, Secretary; and Linda Lape, Treasurer. Also chosen were our class motto, colors, and flower. Our first project was our party "Hawaiian Luau" which was enjoyed by all who attended.

Our junior year officially began with the election of the people to lead us through that year: Vicki Cutter, President; Sam Zabawsky, Vice President; Ken Codeluppi, Secretary; and Darryl Sickles, Treasurer. Early in the fall we received our class rings, the identifying symbol of the Class of 1966. Our class play, "The Magic Touch" was presented in mid-December and was a tremendous success. Also rated as successful were the Junior-Senior Banquet and the prom. Under the leadership of Nancy Buck and Ruth Van Kirk, the prom committee decided on its theme "Paris after Dark." An expected development occurred when our school changed its name to Belle Vernon Area High School in preparation for the eventual merger with Bellmar High School.

Suddenly our junior year was over and the task at hand was to elect our final quartet of officers. The results were: Sam Zabawsky, President; Ken Codeluppi, Vice President; Mary Ellen Norelli, Secretary; and John Fox, Treasurer. Next on the Senior agenda was the magazine sale. Leaving our goal of \$3600 far behind, we soared to a grand total of over \$4200. The entire class put forth a great effort toward the magazine campaign's success, as in particular, did the homeroom presidents, who collected the money daily and handled the job flawlessly. Our class play, entitled, "Hillbilly Weddin'" was presented in March, and proved to be very enjoyable. The entire cast, as well as those who helped backstage, was superb as the talents of our class again shone forth.

Commencement fell on May 26, 1966 as the final step of our preparation for the future. The formality of receiving our diplomas represented to us the three years of work which had passed, and more importantly, the many years of responsibility in the near future.

We, the staff of the 1966 Rostravette, would like to dedicate the following "sport section" of our yearbook to Mr. Robert Van Bremen. Mr. Van Bremen's assistance as coach of the football, basketball, and track teams was of immeasurable value to the sports program of his school. As coach, he taught not only athletic skills but conveyed the longer lasting characteristics of leadership, courage, and responsibility. Therefore, it is with great sincerity and admiration that we present this portion in memory of Mr. Robert Van Bremen.

Summary

After many years of separation and great success, the arch-rivals Rostraver and Bellmar combined forces to make up the Belle Vernon Area Leopards. The combining of the two schools made it possible for the Leps to participate in Class AA competition.

The task of getting the Leps ready for this great competition was handed to a man with many years of coaching experience, James Russell. Mr. Russell and his assistants - Joe Sarra, Dick Fields, Jack Currans, Joe Bushofsky, and Tom Banjor had to go through much sweat and toil to prepare our boys for the Big 8 Conference.

We have all seen and appreciate the great job done by our boys and their coaches. We had four boys who received high honors - Gary Cramer, the Big 8 scoring leader; Jim Bair, Bruce Vannucci, and Chuck Duda. With the help of these boys and all the other outstanding players we brought the Leps to a 5-4 season. We are all grateful to the magnificent job done by our team, and would like to wish the B.V.A. Leopards of the future years good luck in all they do.
